WARNINGS

Please read these instructions carefully prior to assembly and use.

Failure to follow these warnings and the instructions could result in serious injury or death.

FALL HAZARD:

Do not use this product on any elevated surface. To help prevent falls, do not use this product when infant begins to push up on hands and knees or has reached 15 lbs. (6.8 kg) whichever comes first.

In accordance with the Bassinet Safety Standard all bassinets are required to have the following statement:

SUFFOCATION HAZARD:

Infants have suffocated:

- In gaps between extra padding and side of bassinet/criadle, and
- On soft bedding

Use **ONLY** the pad provided by manufacturer. **NEVER** add a pillow, comforter, or another mattress for padding.

If a sheet is used with the pad, use only the one provided by the bassinet manufacturer or one specifically designed to fit the dimension of the bassinet mattress.

Prevent possible strangulation or entanglement, never use bassinet sheet unless it fits securely on bassinet mattress.

To reduce the risk of SIDS, pediatricians recommend healthy infants be placed on their backs to sleep, unless otherwise advised by your physician.

Strings can cause strangulation! Do not place items with a string around a child's neck, such as hood strings or pacifier cords. Do not suspend strings over a bassinet or cradle or attach strings to toys.

Directions to Open

1. Unfasten closure strap (**fig. 1**)
2. Open bassinet until lock indicator arrows are aligned on both side hinges and an audible click is heard from each side hinge. (**fig. 2**)
3. Straighten end supports until lock indicator arrows are aligned on both end support hinges and an audible click is heard from each end support hinge. (**fig. 3**)

The bassinet is now fully open and locked.

4. Attach mattress pad to bassinet with hook and loop fasteners facing down. Make sure mattress pad is centered.

Directions to Close

NOTE: There is no need to remove the mattress pad prior to folding.

1. Simultaneously press buttons on both side hinges (**fig. 1**) and fold bassinet until metal support tubes touch. (**fig. 2**)
2. Press button on each end support hinge and continue to fold bassinet until flat. (**fig. 3**)
3. Fasten closure strap.

NOTE: The mattress pad is removable and includes a machine washable fitted sheet. When replacing mattress pad, be sure that hook and loop fasteners are facing down and mattress pad is horizontally and vertically centered.

CARE: Fitted Sheet - Machine washable. Remove mattress pad first, then remove fitted sheet. Machine wash warm, no bleach. Tumble dry on low heat.

Mattress Pad - Surface washable only. Clean with warm water and a mild soap solution. Air dry mattress pad.

Important Note

Caregivers should discontinue using all bassinets when a baby begins to push up on their hands and knees. This developmental characteristic varies from child to child but typically occurs at approximately 3 to 4 months of age or when the child is approximately 15-20 lbs. BRICA, Inc. recommends that you discontinue use of the Fold 'n Go Travel Bassinet at 3 months, 15 lbs or when your baby begins to push up on their hands and knees – whichever comes first.
